

Sisters and Brothers in Christ,

Thank you for being part of Trinity Lutheran Church. Together, we have a long history of serving in Jesus' name and equipping people with a living faith. It is because of people like you, that we are entering into an exciting time of discerning where God is calling us next.

As a congregation, we are called to care for the resources that allow us to host vital ministries. At this time, there are several foundational pieces at risk of failing. To repair our infrastructure, we are engaging in a three-year, \$1.3 million dollar capital campaign.

Since 2005, we have been a place where hungry people have literally been fed at The Banquet. The Banquet is moving to a new location this year as their ministry continues to expand. This provides us with an exciting opportunity. Facing a bright future, together we ask: "Where is God calling Trinity Lutheran Church to serve in Jesus' name?"

Over the next three weeks, you will hear stories from the book of Esther - stories of stepping forward at a time of great risk with the confidence that God is present. Then, on commitment Wednesday, March 24 or Sunday, March 28, will you join us as together we bring forward our financial intentions and commitments to this capital campaign? Together, we will prepare our church building for the future. Thank you!

Faithfully Serving,

Trinity Lutheran Capital Campaign Committee:

Troy Zander, Chair

Renaë Baltzer

Wanda Benz

Rick Clayburgh

Rev. Mark Narum, Senior Pastor
