SERVE.

VOLUNTEER OPPORTUNITIES

By love, serve on another. Galatians 5:15

Missouri Slope is opening a new Skilled Nursing Facility. We are looking for volunteers to help us during this transition. Below are various opportunities to serve:

Welcome Wagon – volunteers will be assigned to residents during the transition from the Hillview Campus to the Washington Campus. Duties to include:

1. Help pack belongings and bring to new campus.
2. Escort the new residents and their family into the new campus.
3. Provide tours of the building and help answer questions.

Team Cuisine – Missouri Slope staff would do most of the cooking and would base out of one serving kitchen in each household. Volunteers could be asked to:

1. Take food orders from residents.
2. Make special order sandwiches, salads, etc and serve.
3. Reach out during day with beverages, snacks, etc.

Team Clean – volunteers to help clean and stock the households.

Grounds Crew – volunteers to help plant trees, install seating or other shade items around the property.

*Currently, only grass is planned from the building out to the sidewalks so there is a lot of area to cover. There is no budget for additional landscaping. Donations of trees, plants and other items are appreciated.

Activities - Missouri Slope is always looking for volunteers to help with various activities with our residents including reading, playing games, fixing hair, painting nails, or simply reminiscing and holding a hand.

VOLUNTEER REQUIREMENTS:

- All volunteers are required to be COVID-19 vaccinated and seasonal flu vaccinated.
- Volunteers are required to undergo training regarding safety, federal and facility policy.
- Must understand and agree to comply with Missouri Slope's confidentiality and security agreement.
- Clear background screening requirement

For more information contact our Volunteer Coordinator at 223-9407. Please complete a shortened application found on back page of brochure and mail or deliver to:
